Join our **Build the Player** program to prepare for the fall season. Whether your goal is to make the team, become a starter, rise to All-Region, or play college - we want to help you.

We also would like to apply our **Build the Player** program to Grades 3-7. We can help beginners establish a good fundamental base to grow their game, while teaching them advanced skills. We believe players can dominate at any age.

Rising Grades 3-7 cost is \$125 and Rising Grades 8-12 cost is \$250.

BUILD THE PLAYER. BUILD THE ATHLETE. BUILD SPORTSMANSHIP.
